HAND DELIVERED

Dear Ms. Belski:

As per our telephone conversation of today, you have agreed to grant SCA Services, Inc. an extension to February 25, 1985 to respond to the Section 104(e) letter from EPA, Region III to SCA Services, Inc. regarding the Army Creek Landfill and the Delaware Sand & Gravel Landfill.

As I indicated to you on the telephone, we have not yet been able to locate any documents or information covered by your Section 104(e) letter. We are continuing to search for any such information.

In addition, as I confirmed on the telephone, SCA Services, Inc. has been named as a third-party defendant in the lawsuit of Artesian Water Company v. The Government of New Castle County. SCA Services, Inc. has filed a motion to dismiss the third-party complaint against it. This motion to dismiss has been fully briefed and is pending before the Court.

Sincerely,

John F. Stoviak
